

RELIABLE COVERAGE WITH SEAMLESS INTEGRATION

Setting New Safety Precedents with
Machias Elementary School's ADA Addition

**SEAN BRAWLINS,
PROJECT MANAGER
FOR ABSCO SOLUTIONS:**

"Ensuring we maintained all of the existing excellent features of the 14,000-sq-ft existing exceptional RF coverage throughout the entire space without a single installation element overly visible was a key objective for us going into the project."

Honeywell
